Electronic Referral Templates

Instructions for Heartscope & Sleepscope Electronic Referral Templates for GPs

SCOPE HEALTHCARE

HEART SCOPE

SLEEP SCOPE

Best Practice
An evolution in medical software

Instructions

Step 1	Open the patient's file and create a referral as usual. Select "Blank Document".
Step 2	Once the blank document opens, select the "Blank Document" with writing.
Step 3	The "Word Processor Templates" will open. Scroll down and select the referral you would like: (**Heartscope Cardiology Referral** or **Sleepscope Sleep and Respiratory** Referral).

Healthlink EDI: heartvic

To make a booking, please call: **1800 202 111**

To fax a referral: (03) 8669 4575
