A PLEDGE FOR MORAL DEFIANCE

Our faith calls on us to care for people, protect human dignity and work toward the common good.

Today, these values compel us to **confront authoritarianism.**

Will you be a witness of moral defiance?

Will you join us in moral action?

About — A Pledge for Moral Defiance brings together faith leaders across religious traditions to publicly resist authoritarianism and take direct action to ensure our democracy works for everyone. Rooted in "An American Encyclical on Our Authoritarian Crisis", the campaign calls on faith communities to stand together to reject authoritarianism, defend freedom of conscience and stand in solidarity with vulnerable populations.
