Program Eligibility Requirements and Benefits: Patients must have commercial (private) health insurance. This program is not valid where the entire cost of the medication is reimbursed by insurance or where insurance does not cover the medication. Offer not valid for patients with prescription insurance through federal or state healthcare programs, including but not limited to, Medicaid, Medicare drug benefit plan, Tricare or other federal or state health programs (such as medical assistance programs). Some prescription drug plans have implemented programs commonly known as "co-pay maximizer" or "accumulator" programs. These programs adjust the patient's out-of-pocket cost to reflect the availability of financial support received from a co-pay support program, so that out-of-pocket payments that are subsidized by a manufacturer's co-pay program are not treated as a patient's out-of-pocket payments. Patients enrolled in these types of programs may receive benefits from the Axsome Co-Pay Program that vary over time to ensure funds are used for the benefit of the patient. Cash-paying patients are not eligible for co-pay assistance. This offer may not be redeemed for cash. Patient must be a resident of the United States or U.S. territories. Patient or patient's guardian must be 18 years of age or older. Patients with questions about the Auvelity On My Side Savings Offer should call 1- 800-805-8621.

Additional Terms & Conditions of Program: By using this offer, the patient and pharmacist certify that the patient meets the eligibility criteria and will comply with all the terms and conditions. Cash Discount Cards and other non-insurance plans are not valid as primary insurer under this offer. If the patient is eligible for drug benefits under any such program, the patient cannot use this offer. This offer is not transferable and is limited to one offer per patient. This co-pay offer cannot be combined with any other savings, free trial or similar offer(s) for the specified prescription. Void where prohibited by law. Not valid if reproduced. This program is not insurance. Axsome Therapeutics reserves the right to rescind, revoke or amend this offer without notice at any time.
