

A PLACE FOR HOPE AND HEALING

Bread of Life Church and Alpha & Omega Christian School

POLTAVA • UKRAINE

A LIVING RESPONSE TO A FRACTURED COUNTRY

Faith and education can restore what conflict has taken away.

Together, Bread of Life Church and Alpha & Omega Christian School are raising new leaders and creating safe places for learning, healing, mentorship, and spiritual growth for the next generation.

REAL NEEDS • REAL FAITH • REAL ACTION

WHY THIS WORK MATTERS

THE HARSH REALITY

Ukraine is wounded in ways that are both visible and unseen.

9M+

Ukrainians are currently living in poverty.

1,611

Schools damaged or destroyed since February 2022.

2 YEARS

By 2025, average test scores remained roughly two years of learning below pre-COVID levels, following the pandemic and years of war.

The war has not only destroyed cities. It has disrupted families, shaken communities, and stripped away stability. In places like Poltava, the aftershocks appear in gaps in education, a shortage of strong leadership, and an alarming absence of teachers, mentors, and ministers.

Many pastors and church workers have left to serve on the front lines or have fled with their families. Schools operate under threat. Young people are growing up without direction, discipleship, or hope.

BUT THIS IS NOT THE TIME TO RETREAT.
THIS IS THE TIME TO STAND UP.

FAITH AND EDUCATION IN ACTION

THE SOLUTION

A church that serves. A school that equips. A community that grows stronger.

The calling is clear. The need is urgent. By God's grace, we are ready to respond.

PARTNER WITH THE MISSION

HELP RESTORE HOPE

Your support strengthens families, educates children, equips leaders, and rebuilds communities.

Serge and Natalie Murza grew up and met in Sacramento, California. After first visiting Poltava on a mission trip in 2001, they moved there with their children in 2010 to serve the city. A youth club grew into a full-scale church, and the work continues to spread throughout Ukraine and beyond.

MAKE A DIFFERENCE TODAY

Bread of Life Church and Alpha & Omega Christian School partner directly with Alpha International Ministries, a registered 501(c)(3) charity serving the people of Ukraine since 2010.

Alpha International Ministries supports the church and school while also distributing food, water, and clothing, as well as helping repair homes damaged by war.
