RIGHT TO RENT COLLABORATIVE

PRESS KIT 2026

ABOUT

The short version

The Right to Rent Collaborative provides state and local short-term rental associations with the capital they need to advocate for policy solutions that strengthen the industry.

NAMING

First reference: **Right to Rent Collaborative**. After that: **the Collaborative**. The giving program is the **Right to Rent Program**.

Boilerplate

Founded in October 2024 as an independent 501(c)(6)-pending organization, the Right to Rent Collaborative is dedicated to broadening the impact of advocacy within the short-term rental industry. The Collaborative's mission is to provide associations with the capital they need to advocate for policy solutions that strengthen the industry, driving towards a vision of 50 fully staffed, always active state STR associations, 50 connected and coordinated association leaders, and a robust, accessible, and powerful grassroots local membership network. The organization awards funds on a grant basis and ongoing monthly support of Member Associations through the reservation-based Right to Rent Program for property managers.
