TURN-TAKING GAME

How to play

2 to 6 players. About 10 minutes.

The special spaces

Pause
Everyone takes one big breath together.

Plan
Say one kind idea, like "You can go first next time."

Play!
Everyone does a happy wiggle.

The rules

1. Everyone picks a friend token and puts it on Start.
2. Mix the move cards and stack them face down.
3. Take turns going around the circle. On your turn, take the top card, count the glowbugs, and move that many spaces. Put the card at the bottom of the stack.
4. Waiting is part of the game. While you wait, watch your friend count.
5. When you reach the Stage, stay there and cheer for your friends.
6. Nobody loses. The game ends when every friend is on the stage together.

For grown-ups: Read the rules out loud; nobody needs to read yet. Change any rule to fit your child. The game is about waiting, counting and cheering, not winning. Print at home on US Letter paper. No sign-up, no email, and nothing on this page collects information.
