AND US

We're still here for you

We don't make house calls ourselves, which is why we point families to people who do it well. If you'd rather be here with us, we have a quiet room away from the front desk and there's no rushing.

- A quality-of-life talk, whenever you need one
- A quiet room, away from the front desk
- As much time as you need to say goodbye
- Cremation arranged for you

However you choose to say goodbye, we're with you.

If you're not sure whether it's time, or what would be kindest for your pet, call us at (210) 680-5243, Monday to Friday, 7:30 am to 5:30 pm. We'll talk it through with you.
