Haven

Haven Health is a primary care practice built for LGBTQ+ adults, in person in Los Angeles and virtual anywhere in California.

Haven Health gives LGBTQ+ adults one provider for everyday primary care, sexual health, hormone health, weight loss and longevity care, with lab work done at the visit. Patients see us at our Los Angeles location or on a virtual visit from anywhere in California. Haven takes most major insurance, offers self-pay prices for anyone without it, and charges no membership fees.

Leadership and care team

Mike Piscadlo
Co-founder and Chief Executive Officer

Mike has spent more than 13 years building and scaling businesses in healthcare, fitness and consumer tech. He led operations and strategy at MYX Fitness through its IPO, ran 27 locations at Flywheel Sports, and founded the consulting practice Waypoint. He holds an MBA from Columbia Business School.

Matty Brownell
Co-founder and Chief Product Officer

Matty is a designer and agency founder with more than 13 years of brand work, much of it in healthcare. He spent six years at Lippincott, led creative teams at FCB Health and Elmwood, and in 2018 founded ONTO, an agency that launches health-tech startups. He holds a BA from Rochester Institute of Technology's School of Design.

Jake Collins, PA-C
Physician assistant

Jake is a physician assistant focused on LGBTQ+ health, HIV prevention and gender-affirming care. He sees Haven patients in person in Los Angeles and virtually across California.

Haven

Using the Haven logo

The logo files are in the Logos folder of this kit, as SVG and transparent PNG. Use the wordmark when you introduce Haven. The icon is for places where Haven is already named, like an avatar.

1. Use the black logo on light backgrounds and the white logo on dark backgrounds or photos.
2. Keep the logo black or white. Please don't recolor it.
3. Use the wordmark or the icon, not both together.
4. Don't add words, taglines or graphics next to the logo, stretch it or add effects.
