CHRISTMAS AROUND THE WORLD

CHRISTMAS IN FOUR COUNTRIES

Lily and Cole want to learn about Christmas traditions around the world. Come along and discover how people celebrate Christmas in four different countries! Read the four texts.

Australia
In Australia, Christmas is in the summer! The weather is often hot and sunny.
Some families spend Christmas Day at the beach. They swim in the sea, play games and have a barbecue. You can even see people wearing Santa hats on the beach!

India
In India, Christmas is celebrated in many different ways. In places like Kerala and Goa, people decorate homes and streets with colourful lights and stars.
Many Christians go to church, and families enjoy special meals together. Christmas cakes are also popular!

South Africa
In South Africa, Christmas is also in the summer. Many families spend Christmas Day together outside.
Some families have a braai. This is a South African barbecue where people cook meat over a fire. Families eat together and enjoy the warm weather.

Canada
In Canada, Christmas is in the winter. In many places, the weather is very cold, and there is lots of snow.
Families decorate their homes with Christmas lights.
In Québec, some families eat *tourtière*, a traditional meat pie, at Christmas. They also enjoy spending time with family and friends.

LÆRERVEJLEDNING

25 MINUTTER · INDIVIDUELT ELLER I PAR

Sprogligt fokus: Læseforståelse, juleordforråd, kulturforståelse og sætningsopbygning med *I would like to …*
Materialer: To elevark pr. elev og blyant.

KORT OM AKTIVITETEN

Lily og Cole tager eleverne med på en lille julerejse til fire lande: Australien, Indien, Sydafrika og Canada.
Eleverne læser fire korte engelske tekster om forskellige juletraditioner og bruger derefter oplysningerne til at finde ud af, hvilke lande fire forskellige personer kommer fra.
Til sidst vælger eleverne et land, de selv gerne vil besøge i julen, og forklarer hvorfor.

FREMGANGSMÅDE

1. Eleverne læser de fire korte tekster. Gennemgå evt. ukendte ord i plenum på forhånd.
2. Eleverne læser personernes talebobler og skriver det land, der passer til hver persons julefejring.
3. Eleverne skriver, hvilket af de fire lande de gerne vil besøge i julen, og hvorfor.
4. Gennemgå evt. svarene i fællesskab, og lad nogle elever fortælle, hvilket land de har valgt.

DIFFERENTIERING

Støtte: Lad eleverne læse teksterne i par og understrege de ord, der hjælper dem med at identificere landene. Elever med behov for støtte kan nøjes med at udfylde sætningsrammerne med enkelte ord eller korte udtryk.

Ekstra udfordring: Eleverne sammenligner juletraditioner fra et af landene med noget, de kender fra Danmark. De kan fx bruge *In Australia …, but in Denmark …*
